www.intelcare.ma

With a natural and sustainable concept, Intelcare combines the wisdom of the Moroccan ancestral tradition with the knowledge of modern aromatherapy and medicinal herbal medicine. Our natural and organic products have captured the hearts of consumers, more than ever in search of authenticity, simplicity, balance and harmony.

Intelcare is a leading Moroccan supplier specialized in sourcing bulk natural ingredients for cosmetics especially certified organic ingredients.

Intelcare proudly offers an inspiring range of premium quality organic and natural spa ingredients ranging from the finest cold pressed vegetable oils, to the highest quality natural essential oils, salts, muds and clays. These fine spa quality ingredients are carefully selected for their functionality in skin care, hair care and beauty treatments and from ecologically responsible and sustainable business practices. From the basic to the exotic, we are your specialists in natural cosmetic ingredients. We are able to supply many other functional ingredients that are not listed in our catalog. Please let us know your additional requirements.

ORGANIC NOPAL CACTUS POWDER

EXCELLENT SOURCE OF FIBER AND CALCIUM

Organic Raw Nopal Cactus is a natural source of insoluble and especially soluble dietary fiber. It is also a natural source of vitamins (vitamin A, vitamin C, vitamin K, riboflavin and vitamin B6) and minerals (magnesium, potassium, manganese, iron and copper).

Botanical Name: *Opuntia ficus indica* L.

Ingredients: Nopal Cactus Pad

Origin: Harvested, dried and packaged in Morocco.

Certifications: AB and USDA Certified Organic.

Suggested Use: Pharmaceutical, Food and cosmetic industries. used as an ingredient in dietary supplements

TOASTED CAROB POWDER

PREMIUM QUALITY GLUTEN FREE

Carob powder, also called carob flour, is a cocoa powder alternative.

It's made from dried, roasted carob tree pods and looks a lot like cocoa powder. Carob powder is often used as a natural sweetener in baked goods. It's sweet and has a unique taste. It is gluten free and naturally low fat.

Botanical Name: *Ceratonia Siliqua*

Ingredients: Carob Pulp

Origin: Harvested, dried and packaged in Morocco.

Suggested Use: Pharmaceutical, Food and cosmetic industries. used as stabilizer, natural sweetener or thickener in many applications.
